Keynote Speakers

Dr Joan Patricia Back from England has been a member of the Focolare community of common life since 1975. Since 2015 she is in Ireland in the community of Focolare's national Centre at Prosperous and is the Focolare Ecumenical Coordinator for Ireland. From 1995 she is a member of Focolare's international interdisciplinary study centre, the Abba School.

Br Richard de Taizé joined the community in September 1979. He is involved in the theological work of the community and the formation of the younger brothers. He Participates from time to time in theological conferences and ecumenical meetings and maintains contacts especially with South-Eastern Europe.

What is ERF? Ecumenical Research Forum (ERF) was founded in Germany in 1988. ERF is primarily aimed at young researchers. It is an open international forum for all who are engaged in academic research and interested in its ecumenical dimensions. ERF aims at facilitating an encounter for presenting your research projects and exchanging ideas regarding ecumenism, missiology and challenges the churches are facing in the contemporary world.
